Section 5. Expressed and Implied Rights. The Association shall perform all duties and obligations required by this Declaration. The Association may also exercise all rights, powers and privileges granted by this Declaration and the Articles of Incorporation and Bylaws of the Association, and every other right, power or privilege reasonably implied from or reasonably necessary to exercise any expressed right, power or privilege.

Section 6. Enforcement. All Lot Owners and their family members, occupants, tenants, contract purchasers and guests shall be subject to this Declaration and all rules promulgated hereunder. The Association and each Lot Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by this Declaration. Failure by the Association or any Lot Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Board of Directors may impose sanctions against a Lot Owner for violations of this Declaration and the rules of the Association, including suspension of the Lot Owner's right to vote in the Association, and reasonable monetary fines which shall be the personal obligation of the Lot Owner and which shall constitute a lien upon his Lot. If the Association institutes legal action against a Lot Owner to enforce this Declaration or the rules of the Association, such Lot Owner shall be liable for court costs and reasonable attorney's fees actually incurred by the Association, and the same shall constitute a lien upon his Lot.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligations of Assessments. The Declarant and each subsequent Lot Owner, for each Lot owned within The Village, hereby covenant and agree to pay to the Association annual and special assessments which shall be established and collected as herein provided. The annual and special assessments, together with interest, late charges, court costs, reasonable attorney's fees actually incurred, and any other costs of collection, shall be a continuing lien upon the Lot against which each assessment is made, and shall also be the personal obligation of the person who was the Lot Owner of the Lot on the date the assessment became due. The obligation of this article shall bind each and each lot owner regardless of whether so expressed in the deed or other document of title. No Lot Owner may avoid liability for the assessments provided for herein by abandonment, nonuse or waiver of the use or enjoyment his Lot or the Common Area or otherwise..

Section 2. Purpose of Assessments. Assessments shall be used exclusively for expenses of the Association reasonably incurred in the performance of its duties and responsibilities, including the maintenance of reasonable reserves, and to promote the health, safety and welfare of the residents of The Village.

Section 3. Annual Assessment. The Board of Directors shall levy an annual assessment for each calendar year. The amount of the annual assessment shall be established by the Board at least thirty

days in advance of the assessment period, and written notice thereof shall be sent to every Lot Owner. The Board shall determine when annual assessments shall be paid and may permit payment of the rest on a monthly basis.

Section 4. Special Assessments for Capital Improvements. The Association may levy, in any assessment year, a special assessment applicable to that specific year only for the purpose of defraying, in whole or in part, the cost of construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of the Members voting at a meeting of the membership of the Association called for the purpose of considering a special assessment.

Section 5. Uniform Rate of Assessment. Both annual and special assessments shall be set at a uniform rate for all Lots.

Section 6. Status Certificates. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance. An estoppel letter (see attachment) shall be provided by the Treasurer to Closing Attorneys upon closing.

Section 7. Effect of Nonpayment of Assessments. Any assessment not paid within thirty days after the due date shall bear interest from the due date at the rate of ten percent per year. The Association may also impose a reasonable monthly late charge upon delinquent assessments for each month the assessment remains unpaid. The Association may foreclose the lien of the delinquent assessment against the Lot, and the Association may bring an action at law against the Lot Owner personally obligated to pay the delinquent assessment.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments established herein shall be subordinate to first mortgages made in good faith and for value, and secondary purchase money mortgages made in good faith and for value, provided that neither the grantee nor any successor grantee of any secondary purchase money mortgage is the seller of the Lot. Sale or transfer of a Lot shall not affect the assessment lien; provided, however, that the sale or transfer of a Lot by mortgage foreclosure, or conveyance in lieu thereof, of a first mortgage or a secondary purchase money mortgage to which the assessment lien is subordinate shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. After a sale or transfer of a Lot by mortgage foreclosure, or conveyance in lieu thereof, the Lot and the new Lot Owner shall be subject to the lien and personal obligation for all assessments thereafter becoming due.

ARTICLE VI ARCHITECTURAL CONTROL

Section 1. In General. The Village is subject to architectural and environmental review in accordance with this article and such standards as may be promulgated by the Architectural Control Committee ("the ACC"). The Board of Directors shall have the authority to enforce this article and the standards promulgated by the ACC in courts of competent jurisdiction on behalf of the Association. Each Lot Owner acknowledges that the decor, color scheme and design of his Home are consistent and harmonious with other Homes in The Village and agrees to maintain his Lot and Home in such a manner as to maintain and perpetuate visual harmony within The Village.

Section 2. Procedure. The ACC shall have exclusive jurisdiction over all original construction, improvements, fences and landscaping in The Village, and all subsequent reconstruction, modifications, additions or alterations thereto. The ACC may promulgate standards and procedures governing its area of responsibility and practice. Plans and specifications showing the nature, kind, shape, color, size, materials and location of all original construction, improvements, fences and landscaping, and all subsequent reconstruction, modifications, additions or alterations thereto shall be submitted to the ACC for approval as to quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography and finish grade elevation. In the event the ACC fails to approve or disapprove such plans and specifications or to request additional information reasonably required for a proper determination within sixty days after submission, the plans and specifications shall be deemed approved. A majority of the ACC may appoint one member to act on behalf of the entire committee and the decisions of such appointee shall bind the committee. Nothing contained herein shall be construed to limit the right of any Lot Owner to remodel the interior of his Home or to paint the interior of his Home any color desired.

Section 3. Membership of ACC. The ACC shall consist of three members--The Board of Directors shall appoint members to and remove members from the ACC. Members of the ACC shall serve without compensation.

ARTICLE VII INSURANCE

Section 1. Association Insurance. The Association shall maintain public liability insurance covering the Common Area, the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, liability insurance for its directors and officers. The Association may also maintain hazard insurance for insurable property owned or maintained by the Association. All insurance maintained by the Association shall be in such amounts and upon such terms and conditions deemed appropriate by the Board of Directors. All insurance proceeds payable to the Association shall be used or disbursed in a manner deemed appropriate by the Board.

ARTICLE VIII

DESTRUCTION OF HOMES

Section 1. Total Destruction. In the event of the total destruction of a Home, the Lot Owner shall promptly reconstruct his Home. Reconstruction shall commence within a reasonable time, not to exceed sixty days from the date of the destruction. The reconstruction shall be approved by the Architectural Control Committee, and shall be in conformity with the plans and specifications of the original structure so destroyed, subject to any changes or modifications approved by the Architectural Control Committee. Notwithstanding the foregoing, no Lot Owner shall be required to reconstruct his Home, if the Lot Owner is relieved of the obligations of this section by the Board of Directors. In such event, the Lot Owner shall promptly clear the Lot of debris and leave the same in a neat and orderly condition.

Section 2. Partial Destruction. In the event of partial destruction of a Home, the Lot Owner shall, within a reasonable time, cause the damage to be repaired, subject to the approval of the Architectural Control Committee, in conformity with the plans and specifications of the original structure. Any change or alteration must be approved by the Architectural Control Committee. In no event shall any damage to a structure be left unrepaired for more than sixty days.

ARTICLE IX

EXTERIOR MAINTENANCE

Section 1. Association's Responsibility. The Association shall, from time to time, clean and maintain all gutters and downspouts attached thereto.

Section 2. Lot Owner's Responsibility. Subject only to the Association's responsibilities under Section 1 of this article, each Lot Owner covenants to keep the exterior of his Home in a clean and attractive condition and in good order and repair. If a Lot Owner fails to maintain the exterior of his Home in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds vote of the Board, shall have the right, through its agents and employees, to enter upon such Lot and to repair, maintain, and restore the exterior of the Home thereof; provided, that the Lot Owner of such Lot shall have failed to repair, maintain and restore the exterior of his Home after having received at least thirty days' written notice from the Board specifying the nature of the repairs, maintenance or restoration deemed necessary by the Board. The cost of any such exterior maintenance incurred by the Association shall be added to and become part of the assessment to which such Lot is subject, and the Association may recover such cost in the same manner as payments of delinquent assessments are enforced hereunder.

ARTICLE X PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Homes in The Village and placed on the dividing line between two Lots shall constitute a party wall, and, to the extent consistent with this article, the general rules of law governing party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Lot Owners who make use of the wall in proportion to their use thereof.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Lot Owner who has used the wall may restore it, and if the other Lot Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Lot Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provisions of this article, a Lot Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with the Land. The right of any Lot Owner to contribution from any other Lot Owner under this article shall be appurtenant to the land and shall pass to such Lot Owner's successors in title.

Section 6. Arbitration. Any dispute concerning a party wall or this article shall be subject to binding arbitration.
